#### Travelling.

Modern life is impossible without traveling. Many people travel every day to our schools, offices and factories. Sometimes they go to another country or city on business. Business people travel a lot. They may have their enterprises abroad or just meet their business partners in other cities or countries.

Millions of people spend their holidays traveling. They travel to see other countries and continents. It is always interesting to discover new things, to meet different people, to try different food, to listen to different music. So people can travel for pleasure or on business. They can use various means of transport. The quickest way is

to travel by plane. But some people are afraid of fly.

Traveling by train is slower, but it has its advantages. You can see the country around you, so you are not only traveling, but your holidays have already begun. It is better to book tickets and reserve the hotel room in advance.

Traveling by sea is mostly for those who are going on holiday and want a pleasant voyage. On board of a large cruise ship people traverse oceans and visit other countries.

Many people like to travel by car. The greatest advantage is that you can stop whenever you like, you can start from your own front door and take any road you like. It is not convenient sometimes and if the trip is long you can feel tired.

Coach tours are very popular. They are planned as a holidays and there is a chance to do a lot of sightseeing and have a good rest at the same time. It is not convenient sometimes as you have no possibility to have rest.

All means of travel have their advantages and disadvantages. When traveling we see and learn a lot of things that we can never see or learn at home.

Holidaymaking has become one of the most profitable industries and the budget of many countries, such as Turkey, Egypt and Greece depends on tourism a lot.
